High School, Weber College, Brigham Young University and the Northwestern University Medical School at Chicago, Ill. He interned at the LDS Hospital, Salt Lake City.

He was the owner of Heber Hospital and Clinic and co-owner of the Mt. Spa Resort, and had resided in Heber City 12 years. He was a kind and understanding person and was loved by the people of Wasatch County.

His interest in gardening made his home grounds a beauty spot in Heber. He took an active part in civic affairs. His art of cooking was unexcelled. The Smorgasbord luncheons he prepared were the finest of their kind. He did all the buying and most of the cooking. Hundreds of dollars were raised through these dinners for polio drives.
